Testimonial for Anton Botha 'MultiProp' Handyman, Surrey

We have had the benefit of Anton's handyman services several times over the last two years and he has done excellent work on every occasion.

Anton has carried out a variety of internal jobs for us including removing, modifying and fitting kitchen units, shelves, tables and domestic appliances. He has also re-hung doors, carried out plumbing work and taken up an extensive area of laminate wooden flooring. Externally Anton has repointed large parts of our York Stone terrace.

We would like to express our sincere thanks to Anton for his professional approach and reliable service.

We have no hesitation in recommending Anton Botha to family, friends and business associates as a friendly, trustworthy handyman who delivers high standards of work for very competitive prices.

Yours faithfully,

Martin Darg
