Monday 5th December 2016,

I just wanted to thank Anton Botha for all his efforts on my house.

I have tonnes of jobs that never get done and decided to see what Anton was like to work with.

My experience has been fantastic. He was punctual, clean and did everything I haven't done but in a timeframe that I would never have managed to!

I am no longer in the dog house and the cost for his services made me slightly annoyed that I haven't engaged with him sooner.

Fantastic service from Anton and would recommend him highly to anyone who has no time and jobs that need attention. (everyone)

Thanks again Anton. Really appreciate the service you provide. I will no doubt be back soon!

Kind regards

Nigel Panter
